EDUCATION

Raisoni University

Bachelor of Computer Applications (BCA), CGPA: 7.0

Aug. 2023 – May 2026 (Expected)

St. Paul Jr. College

Higher Secondary Education

June 2022 – May 2024

EXPERIENCE

Full Stack Developer Intern

May 2025 – Jun 2025

Techvance Innovations

Remote — Nagpur, Maharashtra, India

- Designed and developed the complete frontend of a full-stack web application using modern JavaScript frameworks
- Translated UI/UX designs into responsive and user-friendly interfaces with clean and maintainable code
- Optimized frontend performance and ensured cross-browser and cross-device compatibility

PROJECTS

Brainly | *Next.js, TypeScript, Tailwind CSS, MongoDB, Mongoose*

- Built a productivity-focused web application for saving, organizing, and managing important links efficiently
- Developed real-time bookmarking and search functionality using optimized MongoDB queries
- Integrated responsive UI components using Tailwind CSS for a seamless experience across devices
- Implemented user authentication and personalized dashboards
- Applied modular design principles to improve maintainability and code reusability

Portfolio Website | *React.js / Next.js, TypeScript, Tailwind CSS*

- Designed and developed a responsive portfolio website to showcase projects and technical skills
- Implemented a clean and minimal UI using Tailwind CSS with accessibility-focused layouts
- Structured project sections to clearly present problem statements, features, and learnings
- Used modular component architecture to keep the codebase scalable and maintainable
- Optimized layout and navigation flow to improve readability and user experience
